Dear Realtor,

Congratulations on your listing here at Palmira Golf and Country Club.

Attached are the approved specifications for the resale signs to be used at Palmira. You may also email DianaL@PalmiraGolfAndCountryClub.com to have those sent in a format for use by your sign company. Signs not conforming to this requirement will not be allowed. It is important that you check with the individual neighborhood HOA with regards to any sign placement requirements as they may differ from neighborhood to neighborhood.

Open house signs are permitted on the listed property only on the day of the event and may be placed as early as you like but must be picked up at the end of the open house. Open house signs are not allowed on ANY other property including Bonita Beach Road. If you provide the guards with information and a map to your open house – they will provide that information to visitors.

Should you have any additional questions, please do not hesitate to contact us at (239) 262-1396.

Regards,

Kenneth E Bloom
